HOW WE CARE FOR YOU

The Pride Health Centers

NYC Health + Hospitals was the first U.S. public health care system to mandate LGBTQI training for all staff members in 2011. Twenty-three of our facilities have earned the Human Rights Campaign Foundation's designation, "Leader in LGBTQ Healthcare Equality" in 2019. To earn this, facilities must train staff in LGBTQI health care, have LGBTQI-responsive policies, and make those policies available to the public and staff.

To better serve the health care needs of the LGBTQI community, NYC Health + Hospitals has the following Pride Health Centers in Manhattan, Brooklyn and the Bronx.

**The Pride Center at
NYC Health + Hospitals / Bellevue**

**The Pride Center at
NYC Health + Hospitals / Jacobi**

**The Pride Center at
NYC Health + Hospitals / Gotham Health, Gouverneur**

**The Pride Center at
NYC Health + Hospitals / Gotham Health, Judson**

**The Pride Center at
NYC Health + Hospitals / Lincoln**

**The Pride Center at
NYC Health + Hospitals / Metropolitan**

**The Pride Center at

GENDER-AFFIRMING CARE

Gender-affirming care means offering caring, compassionate services for transgender and non-binary people.

Gender-affirming care may include medical care, and can also include gender-affirming surgeries, behavioral health services, and other support services.

Since each person's transition and health goals are different, gender-affirming care must be individualized. The transition supports might start with cosmetic changes and move toward more intensive interventions, including gender-affirming surgery, either trans-feminine or trans-masculine surgeries.

Clinics focused on gender-affirming care:

MARRIAGE/FAMILY OPTIONS

New York City has always prided itself on its openness and diversity, and we look forward to welcoming all couples who want to get married amid our bright lights and legendary sights, including many landmarks of gay history. Whether you are a native New Yorker or someone who has dreamed of having your wedding in New York City, that opportunity is yours.

It is important to keep in mind that getting married in New York City is a multi-step process. Couples must complete an application and receive a Marriage License at the City Clerk's office before they can legally wed. For general information about marrying in New York, visit

www.cityclerk.nyc.gov/

SUBSTANCE USE TREATMENT

Overcoming alcohol and drug addiction begins with an environment that is both safe and supportive. LGBTQI-specific treatment programs provide a space where patients can receive treatment from addiction counselors to help get sober. The organizations below can help you overcome your addiction:

GET AN IDNYC CARD

Apply for IDNYC, a free ID card available to all New York City residents age 14 and older. Your immigration status does not matter, and no one will ask you about it. All you have to do is provide proof of identity and residence in the five boroughs of New York City.

The IDNYC card is an accessible and secure document that enables residents to access City services and grant admission to City buildings, such as schools. In addition, the card can be presented as proof of identification for interacting with the police and is an accepted form of identification for opening a banking account at select financial institutions.

To apply for your IDNYC, visit
www.nyc.gov/idnyc for more information.
